

RESTART MODEL TEMPLATE

Introduction

This template can be used to develop a Restart plan. The school restart model is one in which an LEA converts a school or closes and reopens a school under a charter school operator, a charter management organization (CMO), or an education management organization (EMO). To write a restart plan, you will need to address eight separate requirements. The restart plan should be developed for implementation through the 2015-16 school years.

Directions

Provide a concise, cohesive and comprehensive response describing how each requirement will be implemented in the school. Each description should also identify who will be responsible for the implementation (names and/or titles), and when the requirements will be implemented. A maximum of 6,000 characters are allowed per item. Use your MS Word Template to draft and edit each item, and then cut and paste the text into the form fields for each requirement.

PART A: REFORM TEAM PERSONNEL

1. Please list the individuals involved in the development of this reform/redesign plan. Use a separate line to list each individual, and include name, title or role, and email contact information.
